**MEMORANDUM**

DATE: September 14, 2012  
TO: Civil Service Commission  
FROM: Kenneth Connolly, Director  
Division of Classification and Personnel Management  
SUBJECT: Change in State Classification Plan

**STATE HEALTH RELATED TITLES**

The Division of Classification and Personnel Management requests the inactivation, renaming, or consolidation of the following State titles. Our review indicates three (3) titles may be inactivated as they are unencumbered and there are no plans for future use. The three-level Field Representative, Pharmaceuticals title series has no incumbents at the entry level. The remaining levels will be consolidated and renamed to reflect current usage patterns. State Appointing Authorities and affected negotiations representatives have been given the opportunity to review this proposal and have no objections.

The changes shall become effective at the beginning of the first pay period following the Commission's approval of these actions.

**B-39 NAFAEESA MILLER**

The appeal of Nafaeesa Miller, a County Correction Officer with Burlington County, of her 10 working day suspension and 20 working day suspension, on charges, was heard by Administrative Law Judge Robert W. Bingham, II (ALJ), which rendered his initial decision on May 24, 2012. At its meeting on September 19, 2012, the Civil Service Commission did not adopt the ALJ's recommendation to reverse the 10 working day suspension and the 20 working day suspension. Rather, the Commission upheld the suspension. The proposed final decision is now submitted for the Commission's review.
